c) Share-based payments

The Company, in accordance with the policies of the Toronto Stock Exchange ("TSX"), was previously authorized to grant options to directors, officers, and employees to acquire up to 20% of the amount of stock outstanding. In January 2014, the Company's shareholders voted to cancel the Company's option plan and, as a result, the Company's Board of Directors have not grant further options and there were no options outstanding, for the years ending April 30, 2023 and April 30, 2022.

d) Deferred Share Units ("DSU") & Restricted Share Units ("RSU")

The Performance Conditions to be met are established by the Board at the time of grant of the RSU. RSUs that are permitted to be carried over to the succeeding years shall expire no later than the third calendar year after the year in which the RSUs have been granted and will be terminated to the extent the performance objectives or other vesting criteria have not been met. The RSU share plan transactions during the year were as follows:
